EDUCATION-RELATED EXPERIENCE

Assistant Computer Skills Teacher, St. Cecilia School

August 2009-present
As assistant computer skills teacher, I am responsible to assist in teaching of K4 through 8th
grade students two days per week, and independently teach classes three days per week in the
computer lab. We teach using Type to Learn, Education City.com, Microsoft Word, Microsoft
Power Point, Microsoft Excel, and the internet. I train teachers how to use Engrade.com and
Accelerated Math and Reading. I troubleshoot problems with classroom computers and printers.

Substitute Teacher, St. Cecilia School August 2009-present Substitute teach from one hour to a full day in K3 through 8th grade.

TPAC Class Representative, St. Cecilia School August 2007-present Work with teachers, parents, and students to coordinate class fundraising events.

Assistant Coach & Assistant League Athletic Director, St. Cecilia School August 2007-present Assist the team coach at soccer, basketball, and baseball practice and games. I handle all communication and some coordination of registration, uniforms, schedules, and team parties.

OTHER WORK EXPERIENCE

Project Engineer, DPT Laboratories, Ltd.

August 1998-May 2007

Wrote process and facilities project Capital Appropriation Requests, including cost, scope, and project schedule documents for a contract pharmaceutical manufacturing facility. Led project teams to design, purchase, install, startup, and test new equipment and facilities.
